

## Recipe Details

Recipe Name - French Fries

Recipe Steps -

### Ingredients

- Fresh potatoes (we use Yukon Gold)
- Seasoning of your choice (we used Mrs. Dash Taco Seasoning)

### Instructions

1. Cut potatoes (as many as you like) into fries, and sprinkle them with salt-free seasoning of your choice. Terry and I used salt-free Mrs. Dash taco seasoning (we did not use the entire envelope, season to your liking).
2. Bake @ 425 degrees for 20 minutes, flipping once. If you have an air fryer, air fry @ 425 for 20 minutes, flipping or shaking after 10 minutes.
3. Enjoy with ketchup, BBQ sauce, or sauce of your choice (they are also delicious plain)!
